

FRESHMEN ECAP 2022

October 6th 2022

EXPECTATIONS

- Be Professional
- Be attentive
- Cell phones off and put away
- Take earbuds out of ears & around neck
- This information is to help you

TODAY'S AGENDA

- Let's have some fun!
- Today we will explore Careers through a hands-on Activity
- We will work on one together. Then you will start one on your own.
- What is the purpose of doing this now as a Freshmen? Thoughts?

BUT FIRST.....LET'S RECAP

- **How many credits do you need to graduate?**
- **How many credits should you have at the end of school year?**
- **When are final grades posted?**

DURING OUR LAST ECAP.....

- Most of you said you were not sure what you wanted to do after high school. This is a fun way to explore ideas. You can see what kind of goals you need to make to get to your path.
- We will explore a career together first
- Then you will explore careers on your own
- Explore 2 careers in different areas if you can
- Write down your results
- A short Quiz will be given at the end

HOW TO GET STARTED

Reality Check

How do you see your future?

Use Reality Check to discover which careers will allow you to afford your desired lifestyle.

- You will Click on Select Career to get started

VARIOUS CAREER OPTIONS COME UP

- Let's go over them:
- Agriculture-Forrest/Farming
- Business-Marketing/Finance
- Communications – Arts/Technology
- STEM-Science, Technology Engineering, & Mathematics
- Health
- Human Services-Helping others

Now let's Start Together

Choose a Career

The numbers in the diagram indicate the number of careers in each field. Select a field and then a career.
