SENIOR GRADUATION TIPS

- Hello Seniors! Desplácese hacia abajo para la versión en español

We are in the final stretch of your senior year. Whatever your circumstances are at this point, we want to support you in obtaining your diploma and being on a path for a bright future.

- 1. Make sure that you do all you can to obtain the credits for all of the courses you are currently taking. Talk to your teachers, utilize all of your class time, attend FLEX and after school tutoring, and any other opportunities. We will have a Senior Saturday on April 30th from 8:00 AM-12:00 PM.
- 2. If you are behind in graduation requirements, work with your counselor to sign up for **summer school**. We will have a summer graduation ceremony. TEAMS chat/email your counselor to register. If you are currently enrolled in Credit Recovery (Edgenuity courses) you can continue working on those courses in summer. But if you choose to attend in person classes, we can help you register for that too. (During summer school, you be able to complete courses in 8 days.)

Note: (Seniors must register through their counselor. Do not follow the directions to register using ParentVUE).

- 3. If you have received any scholarships and/or awards, let your counselor know. We will be celebrating you at the Scholarship Night May 13th in the PAC.
- 4. Make sure you are set up for your next steps. Whether you are going to college or a career path, we have lots of resources and support to help with that transition. Take advantage of the opportunities and assistance available. There will be a College and Career Fair April 28th 5:30-7:30 PM in the Gym with employers from around our community ready to hire responsible workers.
- On Thursday, April 14th all seniors will meet in the PAC right after period 3 for a Senior Meeting with lunch following. If you are not in an all senior class, ask your teacher to excuse you 5 minutes early.
